LOWRY DAVIDSON
President

At Hollins there exists a Student Government Association that is founded upon the principles of honor and self-reliance and that is educational in the practice of democratic living. Through the Executive Council, which is composed of representatives from each class who are elected by the student body, the students have greater responsibility in the management of student affairs.

Under the leadership of Lowry Davidson, this year's Executive Council has concentrated the major part of its efforts upon stimulating in the student body an active interest in Student Government. Because it is the privilege of each Hollins girl to contribute to the growth of this government the Council has wished each girl to feel that her discussion, constructive criticism, and suggestions are both helpful and necessary; only then may she realize that Student Government is hers, that her individual responsibility and attitude are integral parts of the association as a whole. This Council has hoped to achieve by holding at opportune times throughout the year group meetings of the old students as well as the new, by sponsoring class meetings in which Student Government representatives could give reports of its activities and encourage a group discussion of Student Government progress, and by allowing for the participation of a greater number of underclassmen in major offices. In addition, Council has conferred with the Student Government officers of surrounding women's colleges about the organization and problems of their governments. Council also has begun work on a written record of the thirty years' history of the Hollins Student Government Association.

The Joint Legislative Committee, the youngest of the three branches of Student Government, provides a common meeting ground for faculty, administrative, and student opinions. Petitions from any individual or group on campus are considered by the Committee, and, if passed by the Committee and approved by President Randolph, are drafted into the body of student regulations.

This year the Joint Legislative Committee has been interested in studying the working of the new and revised Handbook. It has reviewed this Handbook carefully, and received suggestions and petitions from the student body. The Committee has also kept alive interest in solving the numerous problems of campus life which have arisen during the War Period.

The choir rehearses three times weekly and sings at all Sunday night chapel services. Other musical programs presented by the choir are at the Christmas White Gift Service, at Thanksgiving and Easter services, and other special occasions on campus. Due to the war, all the girls on campus have relied more than ever this year on the resources right here at Hollins. The Athletic Board, in cooperation with the other organizations, has helped keep everyone entertained as well as "physically fit." The class representatives and sports managers have sponsored not only athletic but also many social events including several parties and the annual hockey and basket ball rallies. This year the Red-Blue game under a new system of selection proved to be at last a game between the very best players in the College.

Three times every year the Cotillion Club, comprised of the best dancers in college, gives a dance in Keller. The Cotillion members ask other girls as dates. Each Cotillion is followed by a buffet supper for members, their dates, and all those who have been invited to come as "stags." Entertainment is provided and Keller is gaily decorated.

The college modern dance organization, Orchesis, aims to stimulate interest in the art of the dance and to increase proficiency in dance technique and choreography. Each fall the club holds tryouts for apprenticeship, which are based both on natural skill and interest. Only after a satisfactory year's work does the apprentice become a full member of Orchesis. The Orchesis group presents an annual Dance Recital in the spring as well as participating in various campus activities throughout the year. Especially notable this year was the Water Ballet presented in December by both the Swimming Club and Orchesis.
